GANÉ Aktiengesellschaft strengthened with Marcus Hüttinger in executive position

Aschaffenburg, 08/10/2019 – Marcus Hüttinger to join GANÉ on 1 January 2020. He will support and shape the ongoing development of GANÉ in an executive function at GANÉ Aktiengesellschaft, as managing partner of GANÉ Advisory GmbH, Gräfelfing, and as a member of the board of GANÉ-Investment AG mit Teilgesellschaftsvermögen, Frankfurt am Main.

Hüttinger (38) currently heads the Equity/Multi Asset Sales Team and the Equity Execution Team for institutional clients in Germany and Austria at Goldman Sachs. He coordinates the sale of global capital market transactions, organises corporate and investor events as well as senior roundtables with board members and is a core part of the organisation team of the prestigious “Goldman Sachs Global Strategy Conference” in Frankfurt. As an established expert in his field, he is in direct dialogue with decision-makers in asset management in Germany and makes his capital market assessments available to numerous institutional investors on a daily basis. Prior to joining Goldman Sachs in 2014, he spent over eight years with Morgan Stanley in Frankfurt and London.

Dr Uwe Rathausky, managing director and co-founder of GANÉ Aktiengesellschaft, commented on the move: “Marcus Hüttinger and I have known each other since we were young. His professional development is extremely impressive and he has remained a very fine person. We are very pleased that he will be bringing his leadership qualities, his capital market expertise, his network and his organisational talent to GANÉ.”

J. Henrik Muhle, managing director and co-founder of GANÉ Aktiengesellschaft, adds: “We are on the lookout for the best minds, because they are indispensable to our success. At the same time, team spirit and people skills are very important to us. Nobody has put it better than Apple founder Steve Jobs: ‘It doesn’t make sense to hire smart people and tell them what to do. We hire smart people so they can tell us what to do.’”

Marcus Hüttinger, Head of Delta 1 Equities Germany/Austria Goldman Sachs, adds: “I have eagerly tracked the development of GANÉ from the very beginning and am delighted to be able to support Dr Uwe Rathausky and J. Henrik Muhle on their very successful path into the future. It took this unique entrepreneurial challenge and the chance to work with friends

to convince me to leave my professional family at Goldman Sachs - but I will always stay connected to them. I am honoured by the trust that has been placed in me and I look forward to this new challenge.”
